NISCC Fitness to Practise Committee Determination

Social Worker – Niamh Clarke (Registration Number 1106916) Removed from Register

A Northern Ireland Social Care Council (NISCC) Fitness to Practise Committee, on 06 and 07 March 2018, decided the case of registered social worker Mrs Niamh Clarke (registration number 1106916).

The Committee found that the Registrant had committed misconduct and that her fitness to practise is impaired.

The Committee found that it was proportionate to remove Mrs Clarke's entry from the Social Care Register.

In order to protect third parties affected by the case, no further information will be published.
