

TUSLA Staff Applying for Dual Registration with Northern Ireland Social Care Council

Social workers practicing in Northern Ireland and the Republic of Ireland are required to be registered in both jurisdictions in order to practice lawfully.

Therefore, all social workers who cross the border into Northern Ireland to practise must be registered both with CORU and the Northern Ireland Social Care Council (Social Care Council). The Northern Ireland Social Care Council is working closely with CORU to ease the process for applications.

To initiate the process of registration with the Northern Ireland Social Care Council please note the following:
