First things first

- Let's talk, I'm not here to tell you but to talk with you.
- Why are we here ?
- Why are you here ?
- Why am I here ?
- What's the point ?
- Feel free...
- What matters, works?

Embedded, repetitive, consistency, Values.

- Your own story, tale, etc. then and now.
- Social work - what has it got to do with homelessness?
- Important to you?
- What's it like to feel incompetent, vulnerable, sad, forgotten, important, hopeful....?
- Our roles are and why we do what we do ?
- The things that don't - and do - work ?
- Are you being informed about and have you read or seen this social work framework document ?

Join the dots

- What do social workers do ?
- What is homelessness?
- Has any country solved homelessness?
- What is the difference between social work in health etc. and homelessness?
- What happens if we solve homelessness ?
- Can we solve homelessness ?
- Do we want to ?
- How do you treat / talk to yourself?

What's going on ? Legacy

- In the period Jan 2014 – March 2014, 51% 'presenters' were accepted as statutory homeless.
