CRITICAL SOCIAL WORK PRACTICE

2020 WEBINAR SERIES

It has been said of this pandemic that we are all in the same storm but not in the same boat. Please join us to explore how Covid has exacerbated existing inequalities & increased social harm. We will discuss the impact it is having on people & communities in Northern Ireland (NI) and how the social work profession can respond. Sean Holland, Chief Social Worker (NI), will introduce each session & outline a progressive vision for the social work profession during & after the pandemic.

SOCIAL WORK MUST, BY NECESSITY, BE POLITICAL. IN A SENSE WE OCCUPY A POSITION OF PRIVILEGE - SERVICE USERS LET US INTO THEIR LIVES, WE SEE AT FIRST HAND THE IMPACT OF INEQUALITY, POVERTY AND DISCRIMINATION ON PEOPLE'S LIVES. THIS BRINGS WITH IT A RESPONSIBILITY, TO IDENTIFY SOCIAL HARM AND TO SPEAK OUT, TO 'SPEAK TRUTH TO POWER'
